MSCM FINAL EXAM PROJECT

For your final project, you will create an online personal portfolio website. You will be using WIX.COM. Your unique website should include **FOUR DIFFERENT PAGES:**

1. **Home Page:** This page will have information about you. You will include your name, a photo of yourself, your grade level, school, a list of your technical skills (including your newfound MSCM Skills... Ex: Microsoft Word, Microsoft PPT, Newspaper Writing, Video Editing and Broadcast..etc.)

2. **Writing:** This page should have your inspirational column as well as a newly-written Sports Column (at least 300 words).

3. **Broadcast:** This page should include a News Reel *3-5 Minutes*(You will be the broadcaster speaking). This can go along with your Sports Column, or it can be a completely different topic.

4. **PR-Advertising:** This page should include a unique advertisement for John Milledge. You should take your own photographs and develop a creative new advertisement that would attract new students and families to want to attend our school. This should be aesthetically pleasing, should include a picture, text, and our LOGO, which I will provide you.
